I protest the recent Orders granting
exemptions from Closed Captioning
issued by the CCB! Any entity can
cry "It costs too much!" and thereby
exempt itself! We hard of hearing
people need Closed Captioning.
Please reconsider granting exemptions.

recent Orders granting exemptions from closed captioning issued by CGB. These orders appear to be a new regulation, carving out a new exemption basis, not in keeping with current regulations. We are outraged and believe the FCC has created a loophole that almost any entity crying "it costs too much" can now use. Please reconsider immediately! We need our closed captioning!
